

*STUDENTS AREN'T USING THE SAME NOTEBOOKS THEY USED TO...*

1995

2005

*...AND THEY DON'T COST 99¢.*

College is expensive, and it isn't getting any cheaper. Speak with an Arizona Federal financial advisor\* about investing in your child's education today!

\*Investments not NCUA insured, not insured by the credit union, may lose value.

## *ASK ABOUT A 529 COLLEGE SAVINGS ACCOUNT!*

- Your investment grows tax deferred.
- No federal taxes on money withdrawn for college expenses.
- No age restrictions or income limitations.
- You stay in control of the funds! If your child gets a scholarship or doesn't go, use the money for other things!
